Rachel,

I hope you had a good  
1st year of Jr. High.  
I know you hated your  
science teacher. (just kidding)  
You are a very sweet young  
girl, and I hope you are  
very successful in the years  
that you have left of school.  
They'll go by in a hurry!!  
It seems like yesterday  
when I was in the 6th grade.  
Hope to see you this summer.

Drew

Rachel,

Hang in there! Keep  
your bubbling personality  
but keep working! Have

# *Dedication*

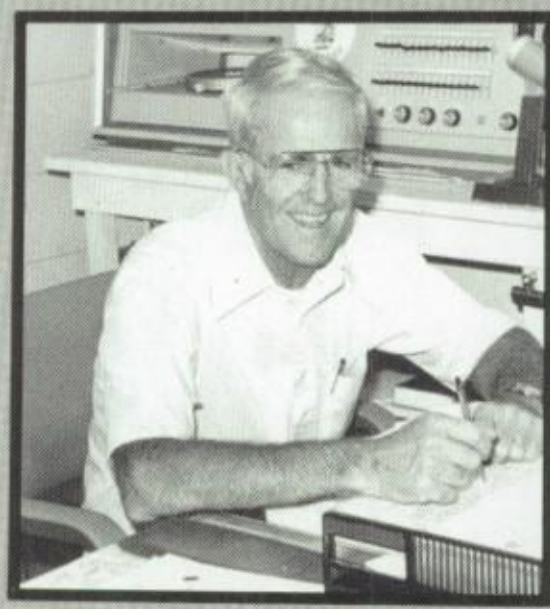

This faculty member actively and vibrantly teaches the subject she knows so well. Because of her enthusiasm and her love of history, she shares this knowledge in a way that all of her students can remember. She willingly supports Southland Academy by sponsoring the B-team cheerleaders, by coaching the debate and social science teams, and by guiding the seventh graders around Washington, D.C. She makes us all proud to be Southerners and a part of Southland. Because of the patriotism and honor she instills in us, we dedicate the 1983 RAIDER to you, Mrs. Marshall Welch, a #1 history teacher and friend.

# *Editor's Notes*

It has been a sincere privilege for me to serve as editor of the 1983 RAIDER. At times, as we rushed to meet our deadlines, I found my job very frustrating, but I must say that it has been a very rewarding experience for me.

I would like to thank the yearbook staff for their work throughout the year. I would also like to express my personal thanks to Mrs. Judy Wills, our advisor; Mr. David Zeigler, our representative; Mr. Rick Duncan and Mr. Andy Shivers, our professional photographers; the English Department, the administration, and the faculty. Without these people and their hard work, this book would have been impossible.

I hope that in the pages of this book we, in some way, have captured the spirit of the 1982-83 school year of Southland Academy. I hope that as you look through it, you will relive some very special memories and will always remember that "Raiders are #1."

Rachel,

I have enjoyed being in your class this year! We have had a lot of fun together, but we have had some fights too. This seems like this year has flown by. I hope you are in my class next year! I also hope that you and Chad will still talk on the phone, and one day meet each other! Please come and support the B-team football and basketball games they play on Tuesdays and Thursdays. You are a real great friend. You seem to always be there when I need you! Thanks a lot for all you have done. Have a great summer, and stay sweet! Hope you are in my class next year!!! Rachel,

Well, let's see - where can I start? Oh, I know - the tennis courts. We have got to go play tennis again, but I might get eye strain. We nearly did last time (all these guys). You certainly are a big crazy which is a good sign I guess - at least your half way normal. I laughed so hard at the courts that day, I nearly cried. Tennis balls are not the only things that bounce at the tennis courts, right? You saved my life (not literally) the day Mike Jordan was mad at me. If I had just stood there he would have I don't know what. I'm glad I didn't have to find out since you ~~at~~ walked up and "distracted" me. How convenient of you. Rachel, you are a terribly funny person - stay that way. The world needs more people like you to brighten us up with laughter. I know you will come see me sometime since we are neighbors. Rachel, you are such a jokester.

Love & laughs.
